Our semi-annual sales of Muslin Underwear are already a recognized institution in New York. The first sale last January was a great success—the present June sale is a still greater success. The completeness of the stocks, perfect garments and money-saving prices are a trefoil of attractions that appeal alike to the critical and thrifty.

Two great duplicate stocks, numbering at the beginning nearly a million garments, all liberally cut and carefully made. Such gathering is a triumph in merchandising—it has made possible unequaled cheapness.
